Message from the Consul General Nuno Mathias

Welcome to the website of the Portuguese Consulate General in San Francisco.

You will find here an array of information from our Consular Section, that aims at facilitating the access to consular services of those residing in the area of jurisdiction of this Consulate (13 western most States), such as the schedule of the [Consular Visits](#) or the paper work that can be achieved via mail without one's presence at the Consulate ([Consulate at Home](#)) and [Visas](#).

You will also find specific information from our Economic and Commercial Section, mostly on investing in Portugal and sourcing from Portugal. As well as our Cultural and Educational Section, namely on Portuguese Community cultural events and the teaching of the Portuguese language.

I suggest that you also follow our activity through the [Facebook](#) page or on [Twitter](#).

I hope that this website will prove itself beneficial: a place dedicated to the promotion of cultural dynamism, of the social vitality of our community and, through it, of Portugal: a way of disseminating information for those that are interested in its potential.
